Dear Resident,

We would like to welcome you to your new website/community communication portal for The Towers. The new portal will provide the following features for you to use:

- Check your association's account transaction and make a payment!
- Update your resident profile with the latest information.
- Check on any open or pending compliance items.
- Submit maintenance request to get things fixed.
- Access the latest documents uploaded by your community.
- Contact your board or association manager.
- View announcements and alerts for the community.
- And much more....

Your new portal can be accessed by going to [www.comwebportal.com](http://www.comwebportal.com). Once you visit, you may click on "Register as a new user" to gain access.

Please note that it is the responsibility of the resident to keep their email, phone number, and/or text number current with the management office to avoid interruption in communication between The Towers and you as the Owner.

**PLEASE NOTE: If you previously utilized credit card or e-check for association payments, that portal will be turned off in Sixty (60) Days. Please sign up to your new Portal before then to avoid any payment issues. If registered for ACH through BB&T no payment change is required.**

On behalf of the Board of Directors,

Alliant Association Management
